Debtor-in-Possession Term Loan Facility
Summary of Terms and Conditions

This term sheet (together with the exhibits and schedules hereto, the “Term Sheet”) sets forth a summary of the terms and conditions with respect to the DIP Facility (as defined below) from and after, and subject to, the entry of the DIP Order (as defined below). This Term Sheet shall be a binding agreement from and after, and subject to, the entry of the Approval Order with respect to the DIP Facility (as defined below) but does not purport to summarize all of the terms, conditions, representations and other provisions with respect to the DIP Facility, which will be set forth in the DIP Documents (as defined below). The obligation of the DIP Lender (as defined below) to provide financing pursuant to this Term Sheet is conditioned upon the execution and delivery of signature pages to this Term Sheet by each of the parties hereto and shall be subject to the conditions precedent and other terms and conditions set forth herein and entry of the DIP Order. Capitalized terms used but not defined in this Term Sheet shall have the meanings given to such terms in the applicable DIP Documents. In the event of any conflict between this Term Sheet and the terms of the DIP Order, the terms of the DIP Order shall govern.

This Term Sheet is a binding and enforceable agreement, subject to entry of the Approval Order with respect to the Debtors, with respect to the subject matter contained herein, including an agreement to negotiate in good faith the DIP Documents by the parties hereto in a manner consistent with this Term Sheet, it being acknowledged and agreed that the funding or availability of the DIP Facility is subject to the applicable conditions precedent set forth hereto and in the Term Sheet.

This Term Sheet and all commitments and undertakings shall terminate if the board of directors or board of managers, as applicable, of any Borrower determines, in good faith based upon advice of outside legal counsel, that proceeding with this Term Sheet or taking any action (or refraining from taking any action) in relation thereto, would be inconsistent with the exercise of its fiduciary duties under applicable law.
